

English Intensive Word Study Programme (March – May 2012)

Description:

A systematic multi-sensory approach is adopted to build students' self-esteem and motivation to learn English. The course aims at building basic knowledge of phonics (phonological awareness, phonemic awareness, blending, segmentation) and sight words as an important bridge to enhance reading and writing skills.

Group Size:

1-2 teachers will be assigned to a maximum of 6 students with mixed ages. Lower and higher ability students will be split into smaller groups as needed.

Course Fee:

\$1,200/month x 3 = \$3,600 (Note: Pro-rated at \$150/lesson for students to join after March '12 and no make-up classes will be arranged.)
