

英文科 English ASSP

Programme Objectives: To build students' self-esteem and learning motivation; help them acquire knowledge of 44 phonemes (sound-spelling relationship) and sight words; and develop integrated language skills through a systematic multi-sensory approach.

	Primary	Secondary
Programme	Primary Beginner / Intermediate 1-2 sessions weekly	Secondary Beginner / Intermediate 1-2 sessions weekly
Duration	1 - 1.5 hours based on group size and student's needs	1 - 1.5 hours based on group size and student's needs
Fee *	\$230/hour (2-4 student group lesson) \$440/hour (individual lesson) \$440 (diagnostic assessment)	\$280/hour (2-4 student group lesson) \$530/hour (individual lesson) \$440 (diagnostic assessment)
Contents & Target	<u>Beginner Primary</u> Focus: Word study (phonemic awareness, blending, segmentation, sight words recognition), reading, spelling and oral language development. Target: English language proficiency at or below lower primary level, with limited phonemic awareness and sight word knowledge.	<u>Lower Secondary</u> Focus: Build/reinforce components in the primary programmes, as well as integrated language skills. Target: English language proficiency at or below lower secondary level, with limited or developing phonemic awareness and sight word knowledge.
	<u>Intermediate Primary</u> Focus: Built on the previous programme, further develop oral fluency, reading comprehension and writing skills. Target: English language proficiency at upper primary level, with developing phonemic awareness and sight word knowledge.	<u>Upper Secondary</u> Focus: Built on the previous programmes, further enhance language skills and strategies needed for senior secondary needs. Target: English language proficiency at upper secondary level, with developed phonemic awareness and sight word knowledge.
