

博思會簡介

博思會致力為有特殊學習障礙的兒童及青少年，提供學科及其他支援，幫助他們跨越學距。

博思會於2001年成立，為一註冊非牟利慈善團體；透過創立一個具滋養、有效益及個別化的學習環境，為有特殊學習障礙而智力正常的學生，提供以實證為本的支援課程。

About Pathways

Pathways aims to bridge the learning gap of children and youth with specific learning disabilities (SLD) in Hong Kong through a variety of interventions and education programmes.

The Pathways Foundation, a registered charity founded in 2001, creates a nurturing, effective and individualised learning environment for students of normal intelligence but diagnosed with specific learning disabilities (SLD), through a provision of SLD specific and evidence-based intervention programmes.

Clinical Psychology Support Service

臨床心理支援服務

博思會致力關注讀寫障礙所引致的教育、個人和社會方面的問題。

本會由專業的臨床心理學家為家長及學生提供支援服務，內容包括為上述的學生提供評估、心理輔導及舉行家長和老師講座。

評估服務

1. 評估學生的特殊學習障礙情況
2. 按學生的成長需要，作跟進評估

服務對象

小學(需年滿6歲1個月)及初中學生

*高中評估 - 需了解個別情況而作合適安排

評估內容

- 與家長面談
- 智力評估
- 有關香港讀寫障礙測驗
- 書面報告及解說評估結果

跟進評估 / 諮詢服務

為了讓學障學生得到更全面及完整的照顧，本會亦會提供跟進服務，內容包括：

1. 評估有關學障的其他認知或學習問題
2. 評估有關可能並存的專注力及情緒行為問題
3. 其他有關跟進服務

心理輔導服務

對象：學生及/或家長

為配合個別家庭需要，本會亦可由註冊臨床心理學家提供有關評估及心理輔導服務。

Clinical Psychology Support Service

Our mission at The Pathways Foundation is to address the widespread educational, personal and societal issues that arise from specific learning difficulties (SLD) in school age children.

Our Clinical Psychology Support Service (CPSS) provides professional support to parents and children. These include assessments and counselling for students with SLD by a qualified clinical psychologist. We also conduct information seminars on SLD to parents and teachers.

Assessment Services

1. students who are suspected to have SLD
2. students who wish to update previous assessments

Target

Primary (aged 6 years and 1 month or above) and junior secondary students

*Case by case arrangement is needed for senior secondary students

Assessment Package

- Intake interview with parents
- Intelligence test
- Administration of The Hong Kong Test of Specific Learning Difficulties in Reading and Writing / other tests for SLD
- Written report and post-assessment briefing with parents

Follow-up Assessments / Consultations

Depending on students' needs, the following additional services are provided for students after they have completed the above package:

1. Additional cognitive and learning evaluations related to SLD
2. Assessment for co-existing behavioral or emotional issues
3. Other follow-up consultations

Counselling Services

To meet various needs of individual families, assessments and counselling services are also provided to students and/or parents by a qualified clinical psychologist.
